

Standard Conditions of Sale

The catalogue description and any exhibition of samples are only broad indications of the Products and Drury Precision Sheet Metal Limited may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order.

The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in Drury Precision Sheet Metal Limited order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes.

The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the products.

On return of any defective Products Drury Precision Sheet Metal Limited shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with Drury Precision Sheet Metal Limited instructions and good engineering practice or if the defect arises from accident or neglect.

Other than identified above and subject to Drury Precision Sheet Metal Limited not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products.

These terms do not affect the Buyer's statutory rights.

Drury Precision Sheet Metal Limited Returns Policy (Non-faulty Goods)

Returns must be pre-authorized (if not pre-authorized the return will be rejected).

Goods must be in re-sellable condition, in the opinion of Drury Precision Sheet Metal Limited. All returns are subject to a 10% restocking and handling fee (10% of the gross value exc. P&P – at the prevailing price at time of purchase).

The customer must pay any and all carriage charges.

No returns of discontinued products, unless within 14 days of purchase.

This policy does not affect your statutory rights and does not refer to faulty goods.

HONDA CBR 1000 RR (2006/2007) TAIL TIDY FITTING INSTRUCTIONS

Registered in England No.3243640
Directors: RJ Drury (Managing) S Drury, CP Vines, DR Rack

*Evotech Performance is product name within: Drury Precision Sheet Metal Limited.

Contents List

1x Instruction Sheet	2x Male Bullet Connectors
4x M6 x 20 S/S Hex Screws	4x M6 Washers
2x Plastic Spacers	6x Zip Ties
2x Female Bullet Connectors	1x Reflector
1x Number plate holder with LED light	1x Spare Bulb

(Do not shorten the LED wires)

1. Remove rear pillion seat/cowl.
2. Remove the front seat.
3. Remove the plastic tail section – four screws.
4. Remove the rear fender assembly.
5. Transfer the indicators to the new tail tidy.
6. Crimp the new connectors to the numberplate light wires – connect them to the numberplate light side of the original plug (you will find it easier than trying to crimp them on the bike)

7. Plug the new LED light into the connectors and check that it works – if it doesn't, unplug and reverse the wires.
8. Zip tie the wires along the inside of the tail tidy using the small holes.
9. Bolt the new tail tidy in place using the fasteners supplied. If using the stock exhaust, on the gear lever side of the bike, position the two plastic spacers between the subframe and the tail tidy at the mounting points.
10. Plug the indicators in.
11. Reverse steps 5 – 1.
12. Check electrics work correctly.
