

Standard Conditions of Sale

The catalogue description and any exhibition of samples are only broad indications of the Products and Drury Precision Sheet Metal Limited may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order.

The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in Drury Precision Sheet Metal Limited order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes.

The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the products.

On return of any defective Products Drury Precision Sheet Metal Limited shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with Drury Precision Sheet Metal Limited instructions and good engineering practice or if the defect arises from accident or neglect.

Other than identified above and subject to Drury Precision Sheet Metal Limited not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products.

These terms do not affect the Buyer's statutory rights.

Drury Precision Sheet Metal Limited Returns Policy (Non-faulty Goods)

Returns must be pre-authorized (if not pre-authorized the return will be rejected).

Goods must be in re-sellable condition, in the opinion of Drury Precision Sheet Metal Limited. All returns are subject to a 10% restocking and handling fee (10% of the gross value exc. P&P – at the prevailing price at time of purchase).

The customer must pay any and all carriage charges.

No returns of discontinued products, unless within 14 days of purchase.

This policy does not affect your statutory rights and does not refer to faulty goods.

YAMAHA FZ1 2006 & 2007 TAIL TIDY FITTING INSTRUCTIONS

Registered in England No.3243640

Directors: RJ Drury (Managing) S Drury, CP Vines, DR Rack

*Evotech Performance is product name within: Drury Precision Sheet Metal Limited.

Contents

1x Instruction Sheet	2 x Stickers
1x Spare LED Bulb	4 x M8 Flange Nuts
6 x Zip Ties	4 x M8 Black Washers
2 x Male Bullet Connectors	1x Reflector
4 x M8 x 30 Black Button Head S/S Bolts	
2 x M4 x 8 Black Countersunk Screw	

(Do not shorten the LED wires)

1. Remove both seats (Refer to owners manual)
2. Observe and note routing of wiring, to ease re-installation.
3. Unplug the two indicators wires and the number plate light wires. (This may require moving the fuse holder to access the number plate and R/H indicator wires)
4. Undo the 4 bolts that hold the stock fender in position.
5. Remove the 8 press fasteners that hold the under tray in place (to do this press the centre and then remove the whole plastic fastener).

6. The fender the under tray should now come away from the bike (There is a lug on the under tray just below the rear light).

7. Transfer the necessary electrics from the stock fender to the Evotech Performance tail tidy (Fix the two male bullet connectors when all wires have been fed through the under tray holes)

8. Reverse steps 6-1.

9. Check the electrics work correctly and all fasteners are secure.

NB: You may find it unnecessary to remove the under tray on the “faired” version, this is due to a different design by Yamaha allowing easier access to the wiring.

OTHER TAIL TIDIES CURRENTLY AVAILABLE:
